Fritz Kreisler Billed For Concert in S. F.

SAN FRANCISCO—Fritz Kreisler, heralded as "the world's most beloved artist," the magic of whose violin has charmed millions throughout the world, will be the third concert celebrity on the San Francisco Opera Association's series when he appears in a single concert Monday night at the War Memorial Opera House.

Kreisler has chosen an unusually interesting program that will show his artistry and his famous violin at the best. Carl Lamson will be the accompanist. The program is as follows: Suite, E Minor, Bach; Largo and Allegro assai, Bach; Concerto, G Major, No. 3, Mozart; Impromptu, G Major, Rondo, D Major, Ballet Music to Rosamunde, Schubert; Lotus Land, Cyril Scott-Kreisler; Hungarian Dance, Brahms-Kreisler; Three Slavonic Dances, Dvorak-Kreisler. Tickets for the concert are now on sale at Sherman, Clay & Co.

The next attraction on the San Francisco Opera Association's series is the famous Argentinita, who will give a single performance at the War Memorial Opera House Sunday afternoon, Dec. 8.

The Great Smoky Mountain National Park in North Carolina and Tennessee, is unique among U. S. national parks in that it encourages original settlers and their descendants to keep their homes in the park.

Dr. Cleary Heads Group

Dr. Ernest W. Cleary, Burlingame surgeon, was elected chairman Tuesday of the newly-formed San Mateo County Chapter of the California Society for Crippled Children.

Dr. Cleary for many years has been on the executive committee of the society, which is the only statewide agency in California which seeks to solve every problem of the crippled child without limitation or red tape and without regard to how that child became crippled, Executive Secty. Warren E. Griffith explained.

The county chapter is the 33rd to be formed in the state. Next meeting for further organization and planning is tentatively set for Jan. 15.

Aim of the society is to educate citizens to understand the rights and needs of the physically handicapped child and to see that he is provided for, so that the handicapped child has an equal chance to develop mentally and thus become a productive unit in the community.

In explaining the work of the society, Griffith said that the society's program had long been active here for 28 of the 2800 cases handled by the society during the past year came from this county.

Present at the organization meeting at the Benjamin Franklin Hotel in San Mateo were, besides Griffith, Albert Roller of San Francisco, state president of the society; Miss Isabelle W. Gregory of San Francisco, another member of the executive committee; Mrs. Henry W. Root of Burlingame, representing the local woman's emergency service; Charles Blythe of Burlingame; Mrs. George C. Close of San Mateo; Rev. Francis P. Foote of Burlingame; J. Elmer Morrish of Redwood City; Mrs. Leland Lancaster of Burlingame; Mrs. K. L. Kentfield of Burlingame, and Frederic O. Glover.

Western Star In New Film

Roy Rogers plays the leading role in the new western film currently showing at the Redwood Theater on a dual program with "That Gang of Mine."

Mrs. Etta McClelland Dies at R. C. Home

Mrs. Etta Geraldine McClelland, 61, widow of Arthur McClelland of Royal Oak, Mich., died Tuesday.

Mrs. McClelland came to California five months ago and had been living with her daughter, Mrs. Ethelyne Loding, 283 Iris St., Redwood City.

She is survived by her daughter and a son, Lysle McClelland of Royal Oak, and by three grandchildren, Wilma Rae Loding and Nancy and Barbara McClelland.

'About Tomorrow' Set For S. F. Stage

If records are criterion, then Frank Craven, in the new comedy "About Tomorrow" at the Curran Theater Dec. 2, should add to his unbroken list of stage successes, for this new play by George Seaton is the type play Craven favors — otherwise he would not be the star of the piece, nor would he direct it. He is doing both.

Since Frank Craven first starred in "Too Many Cooks," the records show not a blemish. The last one before "About Tomorrow" was "Our Town."

In this new one, lovely Sally Eilers, motion picture and stage star, plays the feminine love interest, with Tom Rutherfurd as her heart's desire.

Frank Craven seems to have that uncanny knack of "sensing" a hit, and as for making people laugh, he is past master of the art. His favorite plays are the homey, close to real people, down to the earth sort—but always seeing the comedy of even their tribulations—the "Our Town" type was his previous favorite. Now he favors the George Seaton comedy "About Tomorrow," characterized as a play of today with its exciting comedy, yet possessing infinite charm.

His co-workers in the play, besides the glamorous Sally Eilers, include J. M. Kerrigan, stage and screen star of "The Informer," "Gone With the Wind" successes; Isabel Withers, a Bay City favorite of the play, "Rain"; Emmett Vogan, for two years a star of the Alcazar Theater here; Elisha Cook, New York Theater Guild and picture luminary; Leona Roberts (Le Gallienne Repertory — and the New York company of "Stage Door") and other favorites of the theater.

Coins probably were used as early as the Eighth century B.C.

Distribution Set For $23,000 in Savings

More than $23,000 will be distributed to members of the First National Bank of San Mateo County Christmas Club on Dec. 1, T. N. Thompson, cashier of the bank, announced today.

Thompson said that 347 members saved this sum by weekly deposits throughout the year. Although not all the members will spend their Christmas Club checks in holiday buying, he believes that the bulk of the money will find its way into the cash registers of local stores.

"Any way you look at it, the funds will give a real impetus to Christmas shopping in Redwood City," he remarked. "More and more wage earners and salaried people are experiencing the satisfaction of saving ahead of time for future expenses. The Christmas Club, which helps create the habit of saving, is one of the simplest ways to accumulate money for a definite purpose."

Comparing this year's figures with 1939, Thompson stated that there was an increase of $6800 in the total amount of money saved, and that the number of Christmas Club members increased almost 35 per cent.

NEW EMERGENCY ITEMS

Two new items that the working wife will find convenient for her emergency shelf are canned macaroni and cheese, which needs only heating on top of the stove or in the oven, and potato shreds that will mash up creamy and smooth after about only seven minutes' cooking.

Death Car Driver Given 6-Month Term

Austin Leo Penney, 43, San Francisco waiter, driver of one of the cars in a fatal accident at South San Francisco Aug. 26, Monday was sentenced to six months in the county jail by Superior Judge A. R. Cotton. He was given credit for time served. Penney was charged with negligent homicide.

Penney was the driver of a car which smashed into a truck at the north end of the South San Francisco underpass. His companion, Mrs. Rose Debello, 41, of San Francisco, was fatally injured. Original charges, filed by South San Francisco police, included felony drunk driving, which charge later was dismissed.

Almost 30,000 men and women are engaged in missionary work in non-Christian countries.

Federal land bank and commissioner loans to farmers on January 1, 1940, totaled $2,600,000,000.

First Class Mail Urged for Greetings

Send Christmas greetings as first class mail, R. E O'Connell, Jr., Redwood City postmaster advises.

Large numbers of Yuletide greetings, mailed in unsealed envelopes at the third-class rate of postage, are disposed of as waste each year because they are undeliverable as addressed, due to removal of the addressee or other causes, he explained.

"Such greetings," he added, "are not entitled to the free forwarding privilege accorded those mailed in sealed envelopes at the first-class rate and consequently, the senders in many cases never know that the greetings were not received by the addressees."

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

for Coughs, Chest Colds, Bronchitis

AAA Meeting Set For Next Week

Annual meetings of the Agricultural Adjustment Administration have been set in San Mateo County for next Monday at 8 p.m. at Half Moon Bay High School and for next Tuesday at 8 p.m. at Puccini's, Colombo Hall, Colma. The Agricultural Conservation Program for 1941 will be explained by Harvey L. Hansen, secretary of the San Mateo County Agricultural Conservation Association, and election of community committees and convention delegates will be held.

'Missing' Woman Is Located in S. F.

Mrs. Pauline Harding, 33-year-old mother of five children, whose disappearance last week had resulted in a search by the sheriff's office, Tuesday was found in San Francisco. Her husband, Robert J. Harding, a plumber of 325 Seventh Ave., North Fair Oaks, told the sheriff's office she left home after a family quarrel. Deputy Sheriffs Adolph Waldeck and Frank Marlowe located Mrs. Harding this morning.

TWO INJURED IN CRASH

Two men were injured in a crash on Bayshore Hwy. at Mills Field at 7:30 Tuesday morning. William A. Arndt, 55, of San Francisco, a WPA truck-driver, was turning off the highway to enter the airport when his truck was struck by a car driven by Frank Sunderland, 65, San Mateo. Both men were taken to South San Francisco Hospital for treatment and later released.

MENLO PARK NEWS NOTES

MENLO PARK—The marriage of Miss Nancy Short and J. Moffatt on Dec. 7 in the Church of the Nativity is to be attended by the elite of the Peninsula. The young couple is to reside in New York where Mr. Moffatt is engaged in business.

★ ★ ★

Although the municipal election is several months away, three prospective candidates for trusteeship are being groomed at this early date. There is so much interest manifested in the forthcoming contest that a lively campaign is expected. All sections of the vast district will seek representation on the board.

★ ★ ★

It was learned yesterday that the members of the city council will sponsor a Christmas tree for the children on the Plaza. A program is to be arranged by the grammar school students.

★ ★ ★

The city council met Tuesday evening. Only routine business was transacted. Much of the business of the meeting was put over. The report of the building inspector showed a vast gain in the construction of new buildings.

★ ★ ★

St. Joseph's Alumni will give an entertainment in honor of the fathers and mothers and other friends of the school in the auditorium on Sunday. The public is invited. Refreshments will be served after the completion of the program.

★ ★ ★

Local police raided the Oak Grove Villa and two other "jernts" last week, securing several slot machines and a quantity of liquor. The three violators of the city ordinance were fined $150 each. The machines were destroyed.

★ ★ ★

Old timers cannot understand the absence of robins in this locality when there is an unusually larger crop of Toyon berries and red peppers. Farmers years ago considered this a sure sign of a dry season.

★ ★ ★

Last Sunday in the Church of the Nativity, Father McKeon baptized Terrence Wilson Maloney. He was the first Maloney in 56 years to be baptized in the church, his father having received the sacrament in Redwood City.

★ ★ ★

The fire department was called out Tuesday night to the Flood estate to extinguish a blaze among the oak trees. Four were destroyed despite the efforts of the firemen. The origin of the fire is unknown.

Mr. J. Frank Cuddy Accepts Appointment

Mr. J. Frank Cuddy, of the Cuddy Motor Co., today accepted his appointment as the first automobile executive in Redwood City to sponsor the introduction of a strikingly different method of selling used cars.

Meetings are being scheduled at Cuddy Motor Co. headquarters, news paper schedules are being laid out, all salesmen have been recalled to active duty. Dealers meetings are being planned, service men, clerical help, mechanical force, will hold nightly meetings in preparation for the proper installation of this entirely new method of selling used cars.—Adv.

House Furnishings Sought for Needy Local Family of 3

A plea for contribution of house furnishings for a needy Redwood City family, the head of which is totally disabled, was made here by Post 2310, Veterans of Foreign Wars, Redwood City.

The man in the family was recently discharged from the army and receives a pension of $37.50 a month. Since this is inadequate even to support his wife and 3-year-old baby, he is unable to purchase furniture, according to the county social service department, which has arranged to get the three a home at small rent—providing furniture can be contributed to them

Any contribution of a double bed, springs and mattress; bed for the baby; high chair; cook stove; heating stove; living room furniture; bedding; cooking utensils; dishes, or any other items will be taken by J. W. Dean (Redwood 2087-J), service officer of the local VFW post.

In weighing even large quantities of gold, troy ounces are used for computing the weight, not troy pounds.

The design of the White House proper and of the terraces is said to have been suggested by the Duke of Leinster's palace in Dublin.

Incendiary Evidence Found at Local Plant

Evidence that the Sunday night fire at the Golden State Mushroom Co. plant on Spring St. south of Redwood City may have been of incendiary origin was reported here by Dep. Sheriff Frank Marlowe.

Marlowe, sent to the plant by Sheriff James J. McGrath after officials of the firm reported suspicions of arson, said that he found a trail of straw leading from a stack 100 feet away into the door of the former storage shed which was gutted by flames.

The deputy pointed out that the straw trail might indicate either incendiarism or that an itinerant had slept there, carrying in the straw to make a mattress.

Officials of the mushroom company, which has not been operated since a strike in 1937, expressed the belief that all three of the mysterious fires at the plant in the past three months had been set by incendiarists.

Housewife Arrested On Check Charge

Redwood City police have ended a several-day search for a woman wanted on a charge of issuing fictitious checks with the arrest in Menlo Park of Mrs. Thomas (Helen) Humes, 30, a housewife.

Police Chief C. L. Collins and Sergt. S. E. Douglass made the arrest in a residence near Alameda de las Pulgas in the western part of Menlo Park.

They said she not only was wanted in Redwood City but also by Humboldt County authorities.

Dep. Dist. Atty. Burress Karmel this afternoon was preparing a charge against the jailed woman of issuing one fictitious check. Officers said her checks varied in amount from $10 to $40.

Indians own about 53,000,000 acres in the United States.

Motor vehicles traveled 287 billion miles in 1939 and carried passengers ten times farther than all other forms of transportation combined.

Olan G. Arnold Dies After Illness

After a long illness, Olan G. Arnold, 52, North Fair Oaks cabinet maker, passed away early Sunday in a San Mateo hospital.

Mr. Arnold, a resident of the Redwood City area for 16 years, was the husband of Dora Arnold; the son of Mr. and Mrs. Charles Arnold of Redwood City; brother of Mrs. Bertha Ihle of Menlo Park; Leo Arnold of Redwood City; Mrs. Genevieve McGuire, Marshfield, Ore.; Fred Arnold, Leland, Ida.; Lawrence Arnold, Burke, Ida., and Mrs. Gay Nordholm, Mrs. Ray McKinney, Guy Arnold and Glenn Arnold, all of Wray, Colo.

Mrs. Mary Cardoza, Coast Pioneer, Dies

HALF MOON BAY—Mrs. Mary Cardoza, widow of Antone Cardoza and a resident of this community for 60 years, passed away Monday at a San Jose hospital. She had been ill for some time.

Mrs. Cardoza was the mother of Manuel E. (Pat) Cardoza and Antone Cardoza, Half Moon Bay farmers; Mrs. Mary Alves, Mrs. Louise Alves and Mrs. Claire McCormick, all of Half Moon Bay; Frank Cardoza of Fresno; Joseph Cardoza of Atwater; Mrs. Rose Berglund of Acampo.

Funeral arrangements are being made at the Dutra parlors here.

Legion Post To Aid Defense Unit Plans

All members of Redwood City Post 105, American Legion, are expected to aid in organization of a Redwood City Home Defense Unit during a meeting starting at 8 p.m. Dec. 13 in the City Hall, Comm. Millard Berry said here. Representatives from all veterans' organizations, service clubs, civic and fraternal groups will be asked to attend, the commander reported during a meeting of the post Monday in the Veterans Building.

Jacob S. Meyer, Atty.
NOTICE OF SALE OF REAL PROPERTY
No. 8840. Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

IN THE MATTER OF THE ESTATE OF MABEL MAUD OWENS, also known as MABEL M. OWENS, also known as Mrs. W. J. Owens, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned, Administratrix with the will annexed of the estate of MABEL MAUD OWENS, also known as MABEL M. OWENS, also known as MRS. W. J. OWENS, will sell at private sale, on or after Saturday, the 30th day of November 1940, to the highest bidder, subject to confirmation by the Superior Court of the State of California, in and for the County of San Mateo, all the right, title, interest and estate of said Mabel Maud Owens, also known as Mabel M. Owens, also known as Mrs. W. J. Owens, Deceased, at the time of her death, and all the right, title and interest which her estate has acquired by operation of law or otherwise, other than or in addition to that of said Mabel Maud Owens, also known as Mabel M. Owens, also known as Mrs. W. J. Owens, in and to those certain lots, pieces or parcels of land situate, lying and being in the County of San Mateo, State of California, and more particularly described as follows, to wit:

PARCEL ONE:

That certain lot, piece or parcel of land known and designated as Lots Numbers 73 and 74 in Block Number 1, as shown upon that certain map entitled "Map of San Bruno Park, Fourth Addition, San Mateo County, California," filed in the office of the County Recorder of San Mateo County, March 6, 1906, in Book 4 of Maps, Page 15.

PARCEL TWO:

Lots 41 and 42, in Block 1, as shown on that certain map entitled "Map of San Bruno Park, Fourth Addition, San Mateo County, California," filed in the office of the County Recorder of San Mateo County, March 6, 1906, in Book 4 of Maps, page 15.

All bids and offers must be in writing and may be delivered to the undersigned administratrix personally, or may be left and will be received at the office of her attorney, Jacob S. Meyer, 717 Phelan Building, 760 Market Street, San Francisco, California, or may be filed in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, to which Court the return of sale must be made, at any time after the first publication of this notice, and before the making of said sale.

TERMS OF SALE: Cash in lawful money of the United States of America; ten per cent to be paid on the purchase price at the time of sale; balance on confirmation of sale by the Court. Deed and Title Insurance at buyer's expense.

HAZEL KIRKE NEAL,
Administratrix with the Will Annexed of the Estate of Mabel Maud Owens, alias, Deceased.

JACOB S. MEYER,
Attorney for Administratrix,
717 Phelan Bldg.,
San Francisco, Calif.

Peninsula Building Gain Over East Bay Increases

With more than $10,500,000 in residential building permits registered for the first ten months of 1940 as compared to $5,740,353 for the Metropolitan Oakland area, San Mateo County shows an even greater lead over its East Bay rival than in 1939, according to survey figures released here by San Francisco Peninsula Inc.

"Considering that San Mateo County has approximately one-fourth the population of Metropolitan Oakland—109,298 to 461,683 by 1940 census records—this total of building permit values represents an amazing record," stated T. J. Hallinan, president of SFPI. "However, even in population, the county actually outgained Metropolitan Oakland, both in percentage increase and in the "over all" number of new residents since 1930. The 1940 preliminary census shows a 41.2 per cent gain for San Mateo County in the past decade—31,893 new residents—as compared to a 6.6 per cent gain—or 28,785—for Metropolitan Oakland. San Francisco sustained a loss of approximately 5000 in population.

"FHA loan values reflect the Peninsula's leadership in home building," Hallinan added. "For the first ten months of 1940, San Mateo County attained a 45.5 per cent increase over the corresponding period in 1939. Alameda County, including principal East Bay cities, shows only a 16.5 per cent gain."

Hallinan further pointed out that the Peninsula's record-breaking building activity has taken place in 1939 and 1940 to date—the two years in which the SFPI advertising campaign has appeared.

SLOT MACHINES SMASHED

MENLO PARK—After $198.24 was removed from them, seven slot machines and three "horse racing" machines were smashed here under supervision of police, who last week arrested Carlo Ferrando, Paul King and Vincent J. Northcutt for possession of the devices. They were fined $150 each Saturday.

Cooper, Carroll Star in Epic of 'Mounted'

The romantic interest in Cecil B. DeMille's Technicolor production for Paramount, "North West Mounted," is focussed on Gary Cooper and Madeleine Carroll, who have the top starring roles in this epic of the Canadian wilds. It opens Sunday at the Fox Sequoia Theater. Eight more stellar film personalities are featured in the cast. This picture will be augmented by March of Time's "Arms and the Men, U.S.A." and a Donald Duck Cartoon.

Foe of Civilization Discussed at 20-30

Departure from truthful, practical thinking always produces chaos.

This message was brought to the 20-30 Club Tuesday evening by Asst. Dist. Atty. Daniel E. Sullivan.

"A civilization dies of diseases within itself which are moral and cultural in nature," he said. 'Civilizations have not been killed alone by political conflict or economic revolution."

Cultural disorders have precipitated the bases of present world troubles, Sullivan asserted in comparing civilizations of today with those of Babylon and similar early eras.

Sullivan, former faculty member at Notre Dame and the University of Detroit, and a classmate of the late famed coach, Knute Rockne, said truthful, practical thinking has been responsible for all progress made by mankind.

The Redwood City club made preparations during the dinner meeting in the Wooden Shoe to send a large delegation to a district meeting in San Jose Dec. 6-8. Delegations from San Jose and Palo Alto will attend, Fred Silvey, evening chairman, said.

African natives treasure a small stone which they apply to snake-bites in the belief it sucks out the poison.

Cecil B. DeMille, master producer - director, has assembled the greatest cast of stars ever to appear in any of his productions for his new picture for Paramount, "North West Mounted Police," which will have its first local showing on Sunday at the Sequoia Theater, with Gary Cooper and Madeleine Carroll in the top starring roles.

An epic-sized tale of blazing and indomitable courage, DeMille has seen fit to place such starring players as Paulette Goddard, Preston Foster, Robert Preston, Akim Tamiroff, Lynne Overman, George Bancroft, Lon Chaney Jr. and Walter Hampden in important roles, rounding out a top cast which ranks with any ever seen in one motion picture. Moreover, because of the backgrounds and the importance of the story, he has filmed the picture entirely in Technicolor, the first time DeMille has ever made a complete picture in the medium.

FURNACE BURNS CHILD

Falling onto a lighted floor furnace, Janet Stubblefield, 2-year-old daughter of Mr. and Mrs. Howard Stubblefield of Burlingame, suffered second degree burns on her hands this morning. The child was rushed to a doctor for emergency treatment and then was returned to her home. Mrs. Stubblefield is the former Grace Goshorn of Redwood City.

$1,200,000 Proposed To Build Marine School

A proposed expenditure of $1,214,700 for the California Maritime Academy, which San Mateo County civic leaders have been trying to bring to this area, was recommended by the State Department of Education Tuesday in its 1941-1943 biennial budget which was submitted to the Department of Finance in Sacramento.

Most prominently considered here as a site for the naval officers' training school, has been Coyote Point at San Mateo. Recently, however, it was announced that a site near Vallejo was being favorably considered by officials in charge of locating the institution.

The academy must vacate its present site at California City in Marin County because the Navy intends to use it as a base for submarine net tenders.

The budget submitted today by the education department included a total expenditure of $13,240,150 for seven state colleges and four special schools.

FOUR TREES DESTROYED

MENLO PARK — Four trees were destroyed by fire Tuesday at Green Oaks, near Lindenwood. The fire was started by residents burning rubbish, and flames spread to the trees, firemen said.

Social Service Conference Scheduled

Dr. Norman Fenton, Stanford professor, will be the main speaker at the all-day California Conference of Social Workers scheduled for Saturday, Dec. 7, at Agnew State Hospital near Santa Clara.

Other authorities on criminology and the mentally handicapped will address a large assemblage of social workers, doctors, nurses, professors and public-spirited citizens at the conflux.

Among those who are planning to attend the meeting are Adrian Ward, superintendent of the social service division of the Department of Public Health and Welfare for San Mateo County, and his staff at Redwood City, members of Peninsula League of Women Voters and several prominent clubwomen in both San Mateo and Santa Clara Counties.

He'll Have a Happy Christmas Anyway

BURLINGAME — Here's one fellow who's looking forward to Christmas.

Charles W. Collins, Sebastopol rancher, is serving a 3-day jail term imposed by Police Judge Allen J. Ward of Burlingame for speeding.

Collins, who pleaded guilty to the charge of driving 45 miles an hour in the 25-mile zone on El Camino Real, said he had the money to pay the $7.50 fine set by the court, but he chose the jail term because he is saving his money for Christmas.

A woman, Miss M. E. Knight, invented the paper bag, and another woman, Nancy M. Johnson, is generally believed to have invented—or at least patented—the ice cream freezer.

Long-Range Program

Launching of a long-range playground development program in Redwood City was in the preliminary stage today as a result of action by the Parks and Recreation Commission Tuesday night.

Andrew Spinas, commission chairman, was authorized to appoint a committee to make a comprehensive survey and draft recommendations for playground development in future years.

Maj. George W. Braden, western representative of the National Recreation Association, was to be asked to aid.

"The survey is planned to itemize recreational expenditures down to the last cent and will include playground sites, equipment and estimated incidental costs for the annual growth of the program under a long-range building project," Spinas explained.

$20,000 PROGRAM

The playground development project was introduced to the city council early this month in a brief commission report suggesting a $20,000 building program the next few years.

The council last week referred the matter back to the commission with a request for a detailed report and summary. The survey and report may not be completed for several months, commissioners said today.

The commission authorized Spinas to appoint the committee after hearing brief reports from Frank McAuliffe on possible yacht harbor improvements and from Donald L. Bogie, who helped prepare the original request submitted to the council.

The Redwood City Commuters Club, through Pres. Wrex W. Cruse and Secty. Earle F. Clegg, urged the commission to consider purchasing the six and a half acre Butcher Field for $55,000 as a prospective playground site.

TARGET RANGE

J. W. Dean and Elton Wiley of the Corp. James L. Wilson Post 2310, Veterans of Foreign Wars, asked the commission to improve the target range for use of the planned rifle club of the Sons of the VFW.

The range, having four targets, needs five to meet requirements of the National Riflemen's Association, the VFW representatives informed the commission.

Alfred Morton, recreation director, was authorized to confer with C. L. Dimmitt, city manager, relative to possible range improvements.

Miss Helen Smith was appointed secretary, succeeding Walter Peterson, former Tribune sports editor who has taken a position in San Francisco with the magazine Western Advertising.

BUYS ATHERTON HOME

Frederick R. Grannis, San Francisco builder, has purchased a home on Park Lane, Atherton, from Mrs. Jane M. Rothchild, according to a deed filed here in the county recorder's office. According to stamps attached to the deed, the saleprice was $25,000.

What Should Be Done

For Bow Legs

Mothers have repeatedly asked us what to do about their child's bow legs. Our advice has always been to see a physician! Unfortunately, orthopedic shoes will not always remedy a bow leg condition.
That is why it is so important that mothers use precautionery measures to PREVENT bow legs! See that the child's leg muscles are protected — have him wear proper shoes. Don't let the infant walk too soon!

Huge Radio Station Set For Coastside

Proposed construction of a huge Civil Aeronautics Administration radio receiving station on the San Mateo County Coastside at Pescadero was revealed here with the filing of a lease for 331.4 acres of land owned by Shoreland Properties Inc. of Pasadena. The lease calls for annual rental of $2500 with a renewal option at the same rental until 1970.

CAA headquarters at Oakland said the proposed receiving station will be constructed at a cost of "hundreds of thousands of dollars" as an adjunct to the transmitting station at Belmont for which a $30,000 building permit was issued last week. It will be one of three United States radio headquarters.

First of the three is under construction in New York City; construction is expected to start soon at the Pescadero site and a third large receiving station is to be set up at Honolulu.

The lease stated that the station will be used as a "transpacific radio communications station," and gives the government the privilege of maintaining beacon lights and other facilities and equipment for the guidance and operation of aircraft.

Oakland headquarters of the CAA said the arrangements for the Pescadero site—on the Mesa tract—had been handled out of Washington.

An official explained that the huge receiving station will require the full 331 acres of land for construction of antennas and other receiving equipment.

Control of the station will be operated from one of the San Francisco Bay airports—possibly Mills Field in San Mateo County, it was stated.

It was explained that the largest portion of the staff operating the Pescadero receiving station and the Belmont transmitting station would be located at the control station. Only maintenance men will be employed at the radio receiving and sending sites.

C. C. Plaine Dies Of Heart Attack

Charles C. Plaine, 63, of Palomar Park, a salesman for the Sholl Realty Co. in San Carlos, was found dead in his automobile Tuesday. The car was found parked near the real estate office in the Hidden Valley tract. Another salesman made the discovery.

Mr. Plaine had been under a doctor's care for several months. His death was attributed to a heart attack. Apparently he felt it coming on because the ignition of the car was turned off and the brakes were set.

Mr. Plaine was born in Germany. He lived in San Francisco for 15 years before coming to San Carlos five years ago.

He is survived by his wife, Mary; a daughter, Mrs. John Martin of San Carlos, and a son, Charles Henry Plaine, San Francisco. There are also four grandchildren, Allan Martin, and Jeannie, Betty and Boyd Plaine.

Geiger Asks County To Repair Sewer

A letter requesting San Mateo County authorities to repair a leaking sewer system flume near Daly City, in accordance with a 1930 agreement, has been received by Dr. C. C Gans, county director of health and welfare, from D. J. C. Geiger, San Francisco health director. The faulty flume is one carrying sewage from the Daly City-Colma area to a tunnel near the Olympic Club Lakeside golf course. Dr. Gans said the letter would be refered to the board of supervisors, as repairs would have to be ordered by the board.

HELD FOR BERRY PICKING

Clarence B. Farrell, 25 of San Francisco, will find out Friday if it costs money to pick red berries along the State's highways. Farrell was cited by officer Frank Chevalier of the highway patrol for picking berries along the roadside at Brisbane, and will appear Friday before Justice Wade H. Clay at South San Francisco.

Sequoia Job Bureau

Office Girls, Chinese Boy Available for Placement

Several "really good" girls with clerical training and one "highly recommended" Chinese boy who can "do everything from caring for children to cooking a meal" are available for placement through the Sequoia Vocational Placement Service, according to James M. Eva, instructor in charge of the bureau at Sequoia High School.

The Chinese, an 18-year-old junior student, needs a position where he can live with the family for which he works and receive a small salary in order to continue his high school education. "He is trustworthy, and has the highest recommendations I have ever seen," Eva declared.

Some of the girls with clerical training have also attended business college, Eva said. They are Sequoia graduates, and seek office or secretarial work

Contacts with the students may be made by telephoning Eva at the high school (Redwood 1980)—not his home, for his records are at the school. No obligation is incurred by any employer when he asks for applicants, and several applicants will be sent to any employer for him to take his choice. No charge is made either to the student or the employer for the placement service, which is sponsored by the Exchange Club in conjunction with the high school.

Eva also has available lists of girls who will care for children after school, evenings and holidays. The lists will be mailed to anyone telephoning Eva at the school.

NAMED WPA DIRECTOR HERE

Robert R. Parkinson, who has been WPA director in Palo Alto, has now replaced Hugh Shippey as director of Works Projects Administration in San Mateo County. Shippey has received a commission as a captain in the marine corps. Parkinson will continue to supervise Palo Alto projects.
